Voluntown Residents,

The Town of Voluntown has received another batch of COVID-19 rapid home test kits from the State of Connecticut to distribute to Voluntown residents. We have also received more N95 and KN95 adult masks.

We will be holding another COVID-19 test kit and mask distribution **drive-thru tomorrow, Monday, January 10, in Town Hall parking lot from 4pm-7pm**. A proof of residency is required and there will be only one test kit allotted per vehicle. We ask that only those who have symptoms or who have been in contact with a covid positive individual request a kit.

We are still waiting to hear details from the federal government about another possible test kit distribution. We will be in touch with updates at a later date.

If you have any questions, please contact the Selectmen's Office during Town Hall hours at 860-376-5880.

Thank you,

Tracey Hanson, First Selectman

Joseph Grenier, Emergency Management Director & Fire Chief
